**WANT TO GIFT YOUR DAUGHTER A COMPUTER ?  
DRIVE YOUR CAR AT 45-55 KMPH.**

**Drive at 45-55 kmph and save up to Rs. 25,000\*  
annually on your fuel bill.**

Unnecessary speeding will only speed up your fuel consumption because of aerodynamic drag and consequent stress on the car's engine. The solution: Drive at 45-55 kmph and save up to Rs. 25,000\* annually. Now, whether you buy your daughter a computer or use the money for something else, saving is such a wonderful thing, isn't it?

**Some more easy ways to save fuel:**

1. Switch off your engine at red light.
2. Drive in the correct gear.
3. Maintain recommended tyre pressure.

## BUDDING WRITERS' CONTEST RESOLUTIONS TRIAL

**A**ryaman is a creative and resourceful boy. He seeks new challenges and is committed in doing his best. He has a flair for reading. He has a well-developed vocabulary and chooses words with care. He expresses ideas clearly, both verbally and through writing.

**Ms. Anjeen Berar**

**A**ryaman is a lazy creative boy with lots of imagination. He has interest in reading light literature books and penning down his thoughts and imaginations on paper. I see all the probabilities of a good writer in him. He just needs a proper and expert mentorship

**Sanjay and Nishie Singh**  
Parents

**A**s Diwali or the New Year is the time when we take up our resolutions to become a better person in life, our dear Dadaji decided to tell Arjun, Prisha, Mia, and Sattan about resolutions and tell them to take up of their own.

In the evening, after the prayers of Lord Ganesha and Goddess Lakshmi, Arjun went to call Prisha, Mia, and Sattan to his house.

All were offered chairs by Dadaji and he came back in a minute with his chair. Then he started telling about resolutions. After telling the children about them, he asked them about them to tell their own resolutions and fulfil them. The first turn was of Arjun's. He said, "I am fed up of being shy so I take up a resolution that I will not be shy from now onwards. I will always try to not be shy and be confident but I don't know what makes me shy".

Mia seeing that everyone is taking up their resolutions', she should also take up one. But, Mia is confused what to take resolution for herself. "I think you should stop being short-tempered from now on" said Dadaji, the observat. So Mia, takes up her resolution as, "I will not be angry to people who hurt me or do something wrong with me. Instead, I will always make sure that was done by mistake and not on

purpose", said the tit for tat believer. Sattan on the other side refuses to take up his resolutions. He insists that he is as perfect as anyone can be and will not take any resolutions.

Mia, the short-tempered girl lost controls of her angeriness and says that, "How can you be so sure that you are as perfect?"

Dadaji says, "Listen Children, nothing in this world is perfect. Weather reports are also not perfect. In fact, they are approximately made by professionals. Even the blueberries that you eat are not perfect blue, they are purple" "It means that Sattan is also not as perfect" asked a curious Arjun. "Yeessss...." Now Sattan after listening this shouts "I will stop being a foodie" as his resolution. To test this, Prisha took out a big chocolate out of her pocket and showed it to Sattan. Sattan trying to stop his hands from eating that chocolate stopped looking at that chocolate evenly. But the opening of the wrapper didn't stop him and eventually he asked Prisha, "Can I have some Chocolate?"

## BUDGING WRITERS' CONTEST A BLESSED NIGHT

Raising a Son is one of the greatest blessings in the world. I'm fortunate enough to be blessed with Aneesh. At such a young age he's given us the privilege to be proud parents by his achievements.

Aneesh is a published and renowned author on Amazon Kindle for his book 'A Glorious World of Space', and now is also a winner at the Intellyjelly story writing competition. He intends to inspire and encourage students to learn through his writings about space. I wish him all the best for his future aspirations. May God bless him always..

Parents

It was a cold morning in the month of December. Dadaji invited all of them for a breakfast in the Verandah at 8.00 am. The children were very happy to be around fragrant surroundings of different flowers in the garden. The house cook Malati served them Poha with a dash of Lemon. As they all were enjoying Sattan

started an argument for a larger share of Poha with Arjun and Arjun was unable to say a big "No" to Sattan. Mia was watching Sattan's behavior which she found incorrect and so she encouraged Arjun to Speak for himself. Sattan said to Mia, "why only Arjun? I think you should also give me your share" to which Mia Lost her temper and her face turned into tomato red. Prisha tried to help resolve the problem by speaking to Sattan, but he wasn't in a mood to listen and his eyes fell upon the plate of chocolates kept under the peepal tree. All of a sudden Sattan agreed with Prisha saying that he's full and doesn't need Poha anymore, and left from there. This attitude of Sattan made Mia suspicious and hence she quietly followed Sattan.

Sattan found the plate of chocolates and started hogging while Mia fussed for her mobile phone to click a picture of his. Right when she found her phone, Prisha gave her a call. Hearing

the phone ring Sattan fled from the spot. Mia went to Dadaji explaining what all had happened. Dadaji being a man of his Principles called all the children in his room for a meeting. Dadaji then told the children to reflect on the incident happened during the breakfast and told them to observe their own actions and to adopt a change for better in the coming New Year.

Prisha came in first to let dadaji know that she would like to overcome her need for chocolates and to control her sleep. Next comes Mia, who is tripped by Sattan right in front of Dadaji's eyes, also Sattan gives a loud fart and runs away. This left Mia highly angered, but she quickly remembered her resolution of being able to control her anger which she then shares with dadaji. Then came Arjun , shyly saying that he would try to express his emotions and avoid conflicts.

Sattan came in jumping around and said, "I am Perfect". Dadaji was upset and wanted to make Sattan understand that Nobody is perfect, each one of us needs improvement and changes to adopt. Sattan hugged dadaji and said please forgive me, I have a resolution for myself. I will be considerate about people around me. Dadaji was feeling happy and proud for Sattan.

THE JOURNEY RESUMES.

ARJUN, WHY DON'T YOU  
TELL US THAT 'NITA AMBANI' STORY,  
THE ONE YOU HEARD FROM  
DADAJI?

CAN SOMEBODY  
NARRATE A STORY  
ABOUT **KINDNESS**?

YES, IT IS BETTER TO LISTEN  
AN INSPIRATIONAL STORY INSTEAD  
OF TALKING RUBBISH.

STORIES  
AND SAMOSAS BOTH  
INSPIRE ME.

ARJUN STARTS  
NARRATING HIS  
STORY.

UHHH...O..OK! THIS STORY IS ABOUT THE  
WORLD'S LARGEST REFINERY. THE RELIANCE TEAM  
CONSTRUCTED IT IN GUJRAT IN 1999.

NITA AMBANI WAS  
WATCHING THE WORK  
CLOSELY.

THE DUST  
IS POLLUTING  
THE AIR.

COUGH!

THESE CHILDREN  
ARE AT HIGH  
RISK HERE.

OHHHH!  
POOR KID!

NITA AMBANI WAS REALLY  
CONCERNED ABOUT THE POOR  
WORKING CONDITIONS IN  
JAMNAGAR.

BUT, AT THE END  
OF THE DAY, PLAYING IN  
MUD IS FUN!

I'M PURE AT HEART.  
IT REPELS THE DIRT.

THAT NIGHT, NITA AMBANI DISCUSSED  
HER PLAN WITH HER HUSBAND MUKESH AMBANI.  
SHE THOUGHT OF THE LONG TERM SOLUTION OF  
PLANTING TREES IN THE AREA TO IMPROVE  
THE AIR QUALITY.

YES, I HAVE  
BEEN THINKING ABOUT  
WHAT WE CAN DO FOR  
THE KIDS OF THIS  
PLACE.

NITA,  
ALL OK?

I THINK  
CHILDREN NEED  
SOME FRESH AIR  
AND A BETTER PLACE  
TO PLAY THAN THIS  
CONSTRUCTION  
SITE.

WHY DON'T  
WE PLANT SOME  
TREES HERE.

INDEED  
A GOOD  
THOUGHT!

I AGREE. BUT  
WOULD YOU BE ABLE  
TO INITIATE THIS?

SATTAN COULD NOT IMAGINE LIVING A LIFE LIKE THAT.

IF I WERE IN THE PLACE OF THESE KIDS I WOULD HAVE RUN AWAY LONG AGO.

SATTAN, NOT EVERYONE IS AS GIFTED AS YOU. THESE KIDS MUST NOT HAVE HAD A CHOICE AS THEIR PARENTS WERE WORKING THERE AS LABORERS.

A...A...AFTER A FEW DAYS, NITA AMBANI TOOK THE FIRST OPPORTUNITY TO SURVEY THE LAND FOR GROWING TREES.

LOOK, THERE, AT THAT BARREN LAND. THERE ARE NO TREES THERE. WE COULD PLANT SOME OVER THERE.

IT IS RISKY. CYCLONES CAN COME ANY DAY IN THIS AREA. ALSO, THIS AREA IS ARID, IT WILL BE VERY DIFFICULT TO GROW TREES HERE.

LET US  
ENGAGE SOME  
EXPERTS HERE.

IT IS FINAL,  
WE WILL GROW MANGO  
TREES HERE.

HOW MANY  
MANGO TREES SHOULD  
WE TARGET?

ONE LAKH  
MANGO TREES.

PLANTING  
ONE LAKH MANGO  
TREES! IT IS NEARLY  
IMPOSSIBLE.

ONE LAKH TREES ARE  
REALLY TOO MUCH!

YES, BUT SHE  
WAS DETERMINED.

WHAT IS THE  
SOLUTION?

WE WILL  
ARRANGE A BIG  
TEAM, MA'AM.

THANK YOU.  
I WILL MONITOR  
IT CLOSELY.

AND SO,  
A MASSIVE GREEN  
JOURNEY BEGAN.

I SEE MYSELF IN HER...  
SHE TRULY IS AN  
**EAGER BEAVER** LIKE ME.

I WISH CHOCOLATES  
GREW ON THOSE TREES  
INSTEAD OF MANGOES.

#### **EAGER BEAVER:**

The term **eager beaver** refers to a person who is hardworking and enthusiastic, sometimes considered overzealous.

BUT I WOULD  
RATHER HAVE SAMOSAS  
GROWING ON THOSE  
TREES.

OH NO...NO!  
NEITHER CHOCOLATES  
NOR SAMOSAS GROW  
ON TREES.

AFTER A FEW YEARS,  
THE TREES WERE  
FULL OF BIG JUICY  
MANGOES.

PLEASE DISTRIBUTE  
THEM AMONG THE  
STAFF MEMBERS.

NOT ONLY DID THESE  
TREES COMBAT POLLUTION  
BUT THEY ALSO GAVE SHELTER  
TO MANY BIRDS.

MANGO JUICE,  
MANGO PULP, MANGO PICKLE!  
THEY ARE GOING TO LOVE  
IT.

OH! LOOKS LIKE THESE TREES HAVE ALSO BECOME HOME TO THOUSANDS OF BIRDS.

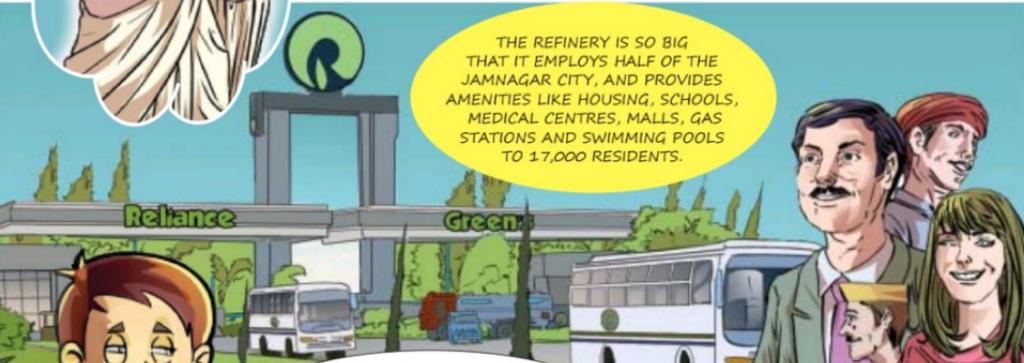

OH!!  
PITCH!

YES,  
MA'AM!

THEN THE PLACE MUST BE  
FULL OF BIRD DROPPINGS  
AS WELL.

DISGUSTING!  
ONLY YOU  
COULD THINK OF  
SUCH A THING.

THE REFINERY IS SO BIG  
THAT IT EMPLOYS HALF OF THE  
JAMNAGAR CITY, AND PROVIDES  
AMENITIES LIKE HOUSING, SCHOOLS,  
MEDICAL CENTRES, MALLS, GAS  
STATIONS AND SWIMMING POOLS  
TO 17,000 RESIDENTS.

I AM ALSO HOPING TO LEARN  
KINDNESS IN LEADERSHIP  
ONE DAY.

IT WAS THE SAME SCARY ENVELOPE IN HER HAND THAT WAS LAST SEEN IN THE MYSTERIOUS BOX.

MIA SPRINGS INTO ACTION IMMEDIATELY.

EVERYONE IS SHOCKED.  
ARJUN THINKS OF WHAT  
DADAJI WOULD SAY TO  
HIM IN THIS SITUATION.

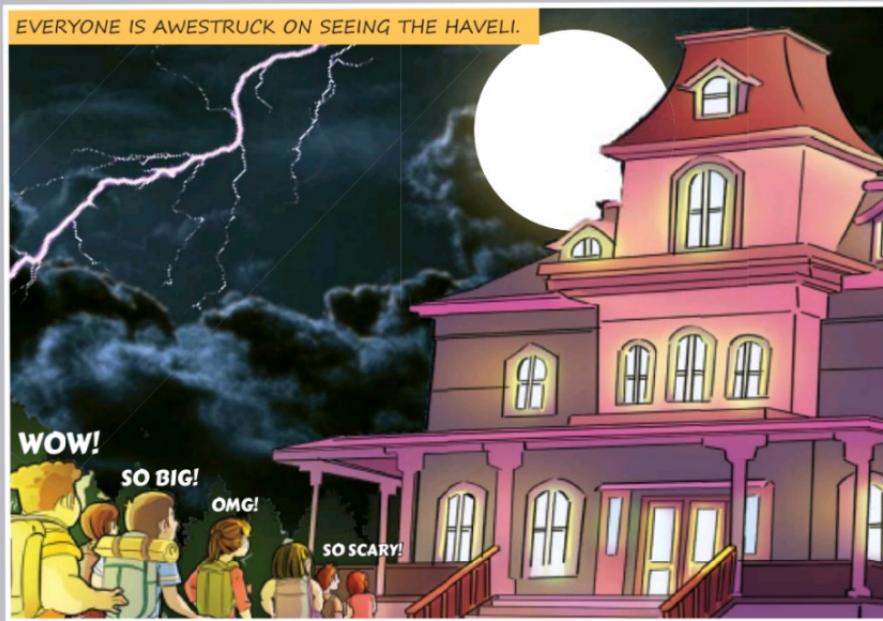

DON'T WORRY,  
ARJUN! FEAR IS A  
REACTION,  
COURAGE IS  
A DECISION.  
YOU ALL WILL GET  
THROUGH THIS!

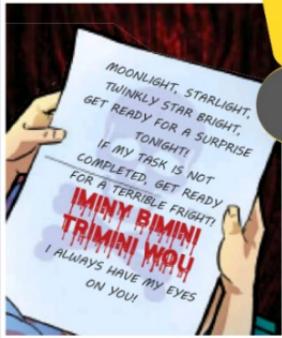

SOMEONE IS OBVIOUSLY  
PLAYING A TRICK. BUT LET  
ME TELL YOU WHOSEVER  
HAS SENT THIS,  
**IT IS NOT FUNNY!**

WE WILL ALL GET  
THROUGH THIS  
TOGETHER.

YES, TANYA,  
YOU NEED NOT WORRY.  
TAKE NO NOTICE OF  
THIS NOTE.

# The Reference Book

Ayush was an educated yet unemployed youth. He was thinking about his **state of affairs**, as he lay down in the local park under a tree one day. He soon fell asleep. When he woke up in the afternoon, he noticed a small leather briefcase lying a few feet away. There was no possible owner in sight. In fact, there was no one in

sight at all. The **scorching** sun of the month of June was **belching** out intense heat, and the park was mostly empty.

He opened the briefcase and found a thick, large book inside. It was an old Bible. The back of the book was stamped:

He walked his way to the library. There was a small wooden cabin at the end of the stairs. Ayush entered and said, 'I suppose this belongs here.'

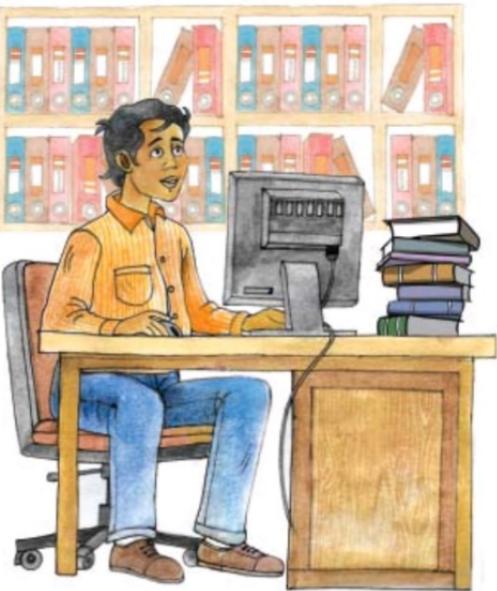

The manager took it from him and inspected it. His eyes opened wide.

'Oh yes, it does. Where did you find it?' asked the manager.

'In the Park. I found it lying in this briefcase,' answered Ayush.

'My God! We have been searching for it up and down the whole town. Do you know what this is?' asked the manager.

'It's the Bible,' said Ayush.

'Well, yes! But it's not just any ordinary Bible. It's **Gutenberg's Bible**,' said the manager.

Ayush didn't know what that meant. So, the manager explained.

'The Gutenberg Bible was the first book printed with a moveable metal type press, which was invented by Johann Gutenberg. It allowed printing of several books in a short time.'

'So?' questioned Ayush.

'Only 48 copies of this book exist in the world today,' said the manager.

'Are you saying that this book is worth thousands of rupees?' asked Ayush.

'My dear Sir, in 1987, one of these books was **auctioned** at \$ 4.9 million at Christie's, New York. What I'm saying is that this book is worth almost 30 crores, not just a few thousands,' explained the manager.

The very next day, Ayush was invited to have tea with two members of the board. The staff came to shake hands with him, and a local newspaper published his photo along with the book.

And what more, he was hired at the library to particularly take care of the reference section.

# iNTELLYJELLY's Ordinary Extraordinariness Series

**S**trong and confident, Dakshya is like the boy next door – fond of samosas and chaat, listening to music, playing cricket and the list goes on. While walking on the road, you might bump into him someday, and never look back again, but after reading this, you just might.

We bring to you, the story of Dakshya, iNTELLYJELLY's superhero of the month. As per Ms. Rasika Mairal, Counsellor, Shishukunj International School, Indore, 'Dakshya is strong and confident, he is like the boy next door – fond of samosas and chaat, listening to music, playing cricket, and the list goes on. While walking on the road, you might bump into him someday, and never look back again, but after reading this, you just might.'

Dakshya was a happy and playful kid up to the age of five until he had been diagnosed with a cyst in his brain. Successfully operated by one of the best neurosurgeons of Asia, only to discover that the device inserted in his brain had stopped working without reason. This triggered the most critical phase of his life

with four unsuccessful brain surgeries. By this time, Dakshya had lost weight immensely and what remained of him was a skeleton of bones. To make matters worse, he slipped into a coma and doctors believed that he had no chance of survival.

According to Aaradhyा Tiwari, his enormously committed father, a telecom professional, 'The biggest strength behind Dakshya's survival was our rock solid family that helped manage finances along with my younger kid, and the almighty.' Shweta, the mother, who experienced endless nights in the ICU with only beeps of machines, still finds any such sound musical. 'The absence of sound would have been traumatic,' she says.

After three years in the hospital and 94 days of coma, Dakshya fought bravely to

come back to brighten up the world of his family once again. History abounds with references of Gods and humans who miraculously came out of the jaws of death, safe and sound. Dakshya is one such superhero, who chose not to give up on his fight and is affectionately known as 'Mrityunjay' – one who has defeated death itself. Today, as **Ms. Rasika** states, the 'Star Maker' App rates him at a whopping 91% for his consistent singing when he performs at

various live stage shows! He learns music at Sangeet Gurukul under the guidance of Mr. Gautam Kale, a disciple of Pt Jasrajji. Dakshya follows the footsteps of his favourite singer Arijit Singh.

Naughty and innocent at the same time, Dakshya tells us, '*I think I am special because everybody seems to want to become my friend.*' Sensitive and protective, an elder brother who earns respect in no time, says, 'Many a time, I ask my mother not to scold my naughty brother.'

When asked about his strong resolve to tackle difficult situations, he says, '*I keep rehearsing my songs until I am satisfied with my voice; I never give up.*'

Dear Dakshya, you are a true inspiration to all of us and iNTELLIJELLY salutes you for your courage, strength and never-say-die attitude.

queens, a universe of times past. Stories from Indian mythology are woven together and sung by Award winner and celebrated film and theatre personality Padmabhushan Girish Karnataka, who plays the role of Karadi, the Bear and Sootradhar. The script, lyrics and direction is by Shobha Viswanath.

### Subhas Chandra Bose

A reserved boy who felt out of place on the sports field, Subhas Chandra Bose grew to be a fearless and inspiring leader on the battlefield of India's struggle for freedom. However

controversial his efforts, they were all born of one emotion – his unquestionable love for his Motherland. A staunch nationalist, a prolific writer, a mesmerizing orator and a matchless motivator, Netaji led by example and believed that every individual must be ready to sacrifice his or her life for the country. This book brings together the transformative incidents that shaped Netaji's work and words, and highlights the main tenets of his life.

Ira Saxena, a child psychologist, writer and critic of children's books has been writing mostly realistic stories, novels and non-fiction on the non-violent struggle for India's Independence. Her short stories and novels on computer crime have been very popular among children.

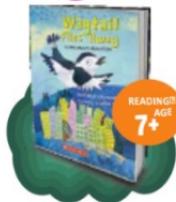

Vinita Ramchandani is an editor, storyteller and published author of more than eighteen books for children. Four of her stories are part of the English school curriculum in both the CBSE and ICSE Boards. Two of her stories are being made into films. She is associated with children's content and writes a fortnightly column, 'Mumbai for Kids with Vinita Ramchandani' for Mid-Day.
